# **Leader**

Anyone who is tasked with influencing a group of people to accomplish something

# **Leadership**

The sum of the natural and learned skills that allow you to do this

A wide, two-lane asphalt road stretches straight into the distance, flanked by concrete guardrails. The road is marked with a double yellow line in the center and white dashed lines on the sides. The background features a range of misty, green mountains under a dramatic sky filled with golden, glowing clouds, suggesting a sunrise or sunset. The overall mood is one of hope and forward-looking vision.
